# RAMAYAN

By Maharishi Valmiki

The Ramayan is an ancient Indian epic, traditionally attributed to the sage Valmiki. It tells the story of Lord Rama, the prince of Ayodhya, who embarks on a journey to rescue his wife, Sita, from the demon king Ravana. Accompanied by his loyal brother Lakshman and the devoted monkey-god Hanuman, Rama battles numerous challenges. The epic explores themes of duty, righteousness (dharma), devotion, and the struggle between good and evil. The Ramayan not only narrates the adventures of Rama but also imparts moral and spiritual lessons, influencing Hindu culture and values for centuries.
